A minimum of 1 hour during each of 7 semesters, to include at least one semester of Mus 428 for vocalists.

Endorsement in choral music allows teaching of “general music” (classes that do not involve ensemble musical performance) in addition to chorus and choir.

Endorsements designate the subject matter an individual is authorized to teach.

The above requirements are for the teaching endorsement only and do not necessarily fulfill the requirements for a major/minor. The student is responsible for all course prerequisites and for satisfying departmental requirements for graduation.
