Applicant Questions

Your response to the following questions should be typed separately and included with your application materials. Your responses will allow the selection committee to assess your overall athletic training philosophy and your ability to communicate effectively in writing. **Keep all responses to the requested length. Please post a word count at the end of each response.**

1. Describe a personal challenge you have faced in your life, how you addressed the challenge and the steps you took to overcome this challenge. (no more than 500 words)
question is rated on your ability to articulate how you overcame the challenge – not the challenge itself
2. How do you define success? What is a specific success you have achieved and what specifically led to your ability to be successful? (no more than 350 words)
3. Describe a significant incidence that has changed your viewpoints in life? (no more than 200 words)
4. How do you prioritize the different time demands you are currently dealing with? (no more than 200 words)
5. Using SMART goal steps, what are 2 personal and 2 athletic training specific goals you have for the next 3 years? (no more than 100 words)
