**\*\* Due to COVID-19 related issues such as the BOC exam cancellation and priorities for employment, our 2020 pass-rate was much lower than we anticipated. CAATE has updated the impact of non-compliance for the 2020 standard 6: The program is non-compliant but will not be placed on probation at this time. The last undergraduate cohort from WSU will graduate in 2021. The program has plans in place to improve first time and overall pass-rate for all upcoming cohorts.**
