Education

1996, Doctor of Philosophy, Education
Instructional Design and Technology
The Ohio State University, Columbus, Ohio

1995, Master of Arts in Education
Instructional Design and Technology
The Ohio State University, Columbus, Ohio

1977, K-12 Teaching Certification
University of Washington, Seattle, Washington

1973, Bachelor of Arts
Political Science
University of Washington, Seattle, Washington

Professional Experience

2009-Present
Clinical Associate Professor, Teacher Education
College of Education, Washington State University

2007-2009
Assistant Clinical Professor, Teacher Education and Cultural Studies
College of Education, Washington State University

2002-2007
Assistant Professor, Teacher Education and Cultural Studies
College of Education, Washington State University

2002-2002
Associate Professor, Educational Technology
College of Education, University of New Mexico

1996-2002
Assistant Professor, Educational Technology
College of Education, University of New Mexico

1994

Educational Consultant

Video series and associated materials: *Assuring Animal Product Quality by Youth Producers*. Produced jointly by The Ohio State University, Oregon State University, and Washington State University. Supported by a grant of the Extension Service, U.S. Department of Agriculture (93-EFSQ-1-4096)

1993-94

Instructional Designer

Video-based distance education graduate course: *Technology in the Curriculum: A Distance Learning Telecourse for K-12 Educators*. Produced jointly by WOSU-TV and The Ohio State University, College of Education with the cooperation of Instructional Technology Services of Central Ohio, Inc. Supported by a Project Equity grant of the Ohio State Department of Education

1983-1991

Fifth Grade Teacher

Mabton Public Schools, Mabton, Washington

1983 and 1984

Seventh Grade Teacher

Washington-Texas Night School, Mabton, Washington

1978-1983 and 1990-1991

Kindergarten Teacher

Mabton Public Schools, Mabton, Washington

National—Invited

Hall, Leslie D. (February, 2005). *Formative evaluation in practice*. Invited speaker via distance technologies to graduate course Educational Policy and Leadership 778, Formative Evaluation of Instructional Systems, The Ohio State University, Linda Condron, Ph.D., instructor.

Regional—Invited

Hall Leslie (2003). *Materials, strategies, and resources for teaching in informal settings and computer labs*. Streaming video presentation to 4-H leaders in Washington state.

Hall Leslie (May 2003) *Media and war*. Invited speaker, CORE 153, Contemporary American Experience. University of Idaho, Moscow, ID.

Hall, Leslie (2000). *Backing into the future: Thoughtful integration of computers in K-12 classrooms*. Invited keynote address for the statewide meeting of the 1998-99 US

West Technology Teachers, Albuquerque, NM.

Hall, Leslie (1999). *Using music and video to teach Spanish: It's OK to have fun!* Invited keynote address for Spanish Resource Center, University of New Mexico, Albuquerque, NM.

Hall, Leslie (1998). *Give all of your "Dannys" a chance!* Invited keynote address, statewide meeting, 1997-98 US West Technology Teachers, Albuquerque, NM.

Local—Invited

Hall, Leslie (October 2005). *Cooperative learning in undergraduate education at Washington State University.* Invited speaker, UNIV 590, Preparation for College Teaching. Washington State University, Pullman, WA.

Hall, Leslie (October 2004). *Integrating technology into undergraduate education at Washington State University.* Invited speaker, UNIV 590, Preparation for College Teaching. Washington State University, Pullman, WA.

Hall, Leslie (May 2002). *Literacy in the 21st Century.* Invited presentation to share technical report and instructional strategies with teachers at Reginald Chavez Elementary School, Albuquerque, NM.

Local

Hall, Leslie (2010). *The design process: Creating a video game to revive indigenous knowledge, culture and language.* College of Education Faculty Research Showcase, Pullman, WA.

Curriculum Development

Washington State University

Summer 2012

New course development: T&L 521:Introduction to Schooling. This 3-credit course combined content in educational psychology and educational foundations for a beginning course in the master in teaching (MIT) Pullman/Spokane program.

Fall 2009

T&L 540: Teaching Elementary and Middle School Social Studies. This 3-credit course include content and teaching strategies for planning and teaching the four areas of social studies: civics, history, geography and economics.

Spring 2009

EdAd 506: Social Context of Education This is the social foundations course for the master in teaching program. It is taught across AMS to student in Pullman and Spokane. Includes a brief history of education and a deep look into current issues and policies that affect teachers and students.

Spring 2007

Major course revision of T&L 301, Learning and Development. Educational psychology course for preservice teachers focuses on four developmental levels of K-12 learners and developmentally appropriate instructional strategies.

Spring 2006

New course development, Introduction to Cultural Studies and Social Thought in Education. Includes theoretical foundations of cultural studies and introduction to academic writing for doctoral students in the CSST program.

Fall 2004

Major course revision of T&L 519, Instructional Media Production. Includes principles of visual literacy and hands-on production using digital video, multimedia, and digital photography.

Fall 2003

New course development, T&L 517, Educational Technology in K-8 Schools. Methods course for MIT program focuses on technology standards for teachers, technology use in schools, production techniques and instructional methods.

Fall 2003

New course development, T&L 446, Secondary Methods of Educational Technology. Separated the elementary and secondary teacher preparation courses for teaching strategies more appropriate to differing grade levels.

Fall 2002

Major course revision of T&L 518, Integrating Technology into the Curriculum. Includes multiple ways technology can be successfully integrated into learning environments.

Fall 2002

Major course revision of T&L 445, Methods of Educational Technology. Includes issues of technology integration in K-12 learning environments, diversity and equity, and hands-on skills for teachers and students.

University of New Mexico

January 2001

Paperwork submitted to dean's office for course of studies for masters in education with an emphasis in educational technology.

January 2001

Paperwork submitted to dean's office to change multiple topics courses to new graduate courses in educational technology.

Autumn 1999

New course development, Media Literacy for Educators. Focuses on deconstructing

media messages, awareness of concentration of ownership of the media, commercialism in schools, media content, access, impact on schools and activism. Compiled a course reader and update it each time the course is taught.

Summer 1999

New course development, HyperStudio in the Classroom. Focuses on basics of multimedia development and how multimedia can be integrated into K-12 curricula.

Summer 1998

New course development, Desktop Publishing for Educators. Focuses on basics of desktop publishing, including layout, design, and typography. Also covers uses of desktop publishing for alternative assignments for K-12 students.

Spring 1998

New course development, Education, Technology, and Society. Focuses on definition of technology, origins of various technologies, roles technologies play in education and our daily lives as citizens and consumers. Compiled a course reader and update it each time the course is been taught.

Spring 1997

Major course revision, CIMTE 365, Microcomputers in Schools. Added readings on gender, ESL/bilingual, socio-economic, and special needs issues. Developed readers for each of the three variations of the course: Elementary, Secondary Math/Science, and Secondary Language Arts/Social Studies. Updated readers each semester. Met monthly with all instructors to insure continuity across sections.

Workshops

Hall, Leslie & Preuss, Cara (2008). *Leadership in a multilingual workplace*. Workshop presented at the Cultural Inclusion Workshops for Business, Education, and Community Leaders. Spokane, Washington.

Hall, Leslie (2001). *Advanced Web searching strategies*. Workshops for the Elementary Science Academy, Quincy Spurlin, director; Secondary Science Academy, Teresa Kokoski, director; Secondary Science Academy, Kathryn Watkins, director; Secondary Mathematics Academy, Richard Kitchen, director.

Hall, Leslie (2001). *Equity issues in educational technology integration*. Workshops for the Secondary Science Academy, Kathryn Watkins, director; Secondary Mathematics Academy, Richard Kitchen, director.

Hall, Leslie (1998). *Principles of desktop publishing and their application in PowerPoint presentations*. Workshop for the RTP Support Teachers. College of Education, University of New Mexico.

Hall, Leslie (1998). *Grab bag workshop: Troubleshooting in Microsoft Word, World Wide Web resources for students and teachers, organizing your email*. Workshop for the RTP Support Teachers. College of Education, University of New Mexico.

Hall, Leslie (1997). *Integrating the curriculum through technology: Tools for secondary educators*. Workshop for the Breaking Ranks teachers funded by an Eisenhower Grant, Rosalita D. Mitchell, principal investigator. College of Education, University of New Mexico.

Hall, Leslie (1997). *Computers in the reading process*. Workshops for Bernalillo Public Schools. Bernalillo, NM.

Hall, Leslie (1997). *Digital resources for geography*. Workshop for the New Mexico Geography Institute. Albuquerque, NM.

Hall, Leslie (1997). *Cyberspaces: Women's resources on the Internet and World Wide Web*. Workshop prepared for On the Edge of Time: Women Creating the Next Millennium, The New Mexico Statewide Women Studies Annual Conference. Albuquerque, NM.

Hall, Leslie & Whiteman, Fred (1995). Technology integration in the K-12 classroom. Short course at Finding Our Way: Planning, Using, and Assessing Distance Education. Conference sponsored by The Center for Advanced Studies in Telecommunications. Columbus, Ohio.
