

COMPONENT 3 ~ Teaching Practice & Learning Environment

Course Description

This 16-hour interactive on-line cohort for School Counselor NBPTS candidates will provide a working understanding of the requirements and rubric for ECYA-SC Component #3, Teaching Practice and Learning Environment.

Participants will experience a unique opportunity to be guided through the component #3 process through collaboration with other school counselors and guided exercises. Resources and writing feedback is provided.

Course Objectives/Outcomes

Class participants will have:

- A clear understanding of the Component #3 requirements
- A clear understanding of the relationship between Architecture of Accomplished Teaching/Counseling, the ECYA-SC Standards, and their counseling practice
- Intense opportunity for analysis and reflection of personal counseling skills and techniques in light of student learning
- A collaborative school counselor support system
- A completed Component #3 document
